Dear Ms. Stamp

I, Arnold Young, owner of 1706 10TH ST. NW, am in the process of preparing plans to obtain a building Permit to perform interior alterations and two story and basement addition, which will consist of repairing the existing roof, installing new exterior walls that will extend beyond the existing adjoining party wall, and a rear deck and stairs for access and second means of egress, and minor interior alterations to bring the property up to neighborhood and current building code standards.

This letter is to notify you as per the District of Columbia Building Permit Requirements, that this work will take place.

Please feel free to contact myself at 917-312-8128 or my Architect Tommie N Thomas at 301-717-0168 if you have any questions.

Sincerely,

Arnold Young
