D.C. OFFICE OF ZONING

2011 SEP 30 AM 11:55

To whom it may Concern,

Due to human error we were negligent in getting the signs posted in our window 15 days prior to our hearing. We respectfully ask that you waive that requirement. We have posted the appropriate signage, today September 30, 2011. We have received support letters from the ANC and Historical Society, and have no one opposing the application. Please consider waiving the 15 days so we may maintain the October 4th hearing date.

Regards,

Julie Longobardi & Eric Sosnitsky
