Re: Proposed addition 2018 Hillyer Place

Dear Sir/Madam,

I/We have been informed by John and Gloria Ricotta that they have filed an application for expedited review for an addition to the rear of their home at 2018 Hillyer Place NW in Washington DC. We have been given an opportunity to discuss the planned construction with them. We do not believe it will have a negative impact on the neighborhood and have no objection to the project's approval.
