Re: BZA Zoning Application # 18294
(Application of Emily and Paul Thornell, 3011 Ordway St. NW)

Dear Board of Zoning Adjustment:

Please find attached additional evidence for the Decision Meeting with regards to 3011 Ordway Street NW. These are in response to the materials submitted by the party objector at the hearing on the 17th of January 2012.

Also, the applicants would like to state clearly for the record that the project's footprint and massing have not changed materially since the drawings were presented to the neighbors and submitted to the BZA, ANC and Cleveland Park Historical Society during the summer of 2011.

Sincerely,

VW Fowlkes

BOARD OF ZONING ADJUSTMENT
