Re: Support for Application No. 18291

Dear Board of Zoning Adjustment:

I live at 609 Mt. Olive St., NW Street, N.E.] and I am writing to express my support for approval of BZA Application No. 18291 for variance relief and Special Exception approval for Mt. Olive Baptist Church to restore the old church and create a Child Development Center for fifty children.

The Church has been a good neighbor and a great steward of the old Church building over the years. The restoration of the old Church will be a great improvement to this block. The Child Development Center is a greatly needed resource in this neighborhood, and with the modest size proposed and plans for drop-off within the Church's internal driveway, we do not foresee any traffic or noise issues with the proposed Child Development Center.

For these reasons, I [we] urge the Board to approve this Application for special exception and variance relief.

Sincerely,

[Name] Milton Darmon
