*Re: Application for 2nd Floor Addition
to 1819 10th Street, NW Washington, DC 20001*

Dear Sir/Madam:

This letter is written in support of Mr. Nesar Nusraty's application to a 2nd floor addition to his home located at 1819 10th Street, NW. It is my understanding that he is requesting permission to add a one room addition to the second floor of these premises. I live in the home across the street from Mr. Nusraty. As his neighbor I have seen images of his proposed addition and support this improvement. If you have any questions, please do not hesitate to contact me.

Sincerely,

Wendy Kim
Resident,
1817 10th Street,
Washington, DC 20001
