3825 Morrison St. NW/ BZA case # 18296

Dear Board Members:

I am the owner of the home immediately next door to the Merlis family on Morrison Street and understand that they have applied for a special zoning exception to allow their deck and garage, which they have already constructed under City permit. I have no issues with this construction and find that their remodeling of the house and the grounds including the new construction has been of benefit to our community. The deck and garage are not intrusive to me and are in keeping with the neighborhood.

Please approve their request for special exception without conditions.

Sincerely,

A handwritten signature in black ink that reads "Nancy Darrigan". The signature is written in a cursive style and is positioned above the printed name.

Nancy Darrigan
