Subject: Tonight's ANC meeting, agenda item 3

Dear Jon,

I probably won't be able to make it to tonight's ANC meeting, but I want to put in a word in support of agenda item 3, "Discussion of and possible vote on resolution regarding special exception sought by owner of 4602 Fessenden Street, NW".

I live across the street from the house in question and will be looking directly at the planned addition from my porch and living room window. I would like to say that I have no objections whatsoever to David Maloney's application for a zoning exception, and that I support his plans wholeheartedly. He is DC's Officer of Historic Preservation and I am sure whatever he is planning to build will complement his bungalow nicely.

Thank you,

Katharina
