DECISION DATE: February 7, 2012 (Expedited Calendar)

SUMMARY ORDER

REVIEW BY THE ZONING ADMINISTRATOR

The application was accompanied by a memorandum from the Zoning Administrator certifying the required relief.

Pursuant to 11 DCMR § 3181 this application was tentatively placed on the Board's expedited calendar for decision without hearing as a result of the applicant's waiver of their right to a hearing.

The Board provided proper and timely notice of the decision meeting for this application together with the information required by 11 DCMR § 3118.5 by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (ANC) 1B and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 1B, which is automatically a party to this application. ANC 1B submitted a letter in support of the application. The Office of Planning (OP) submitted a report in support of the application.

No objections to expedited calendar consideration were made by any person or entity entitled to do by §§ 2118.6 and 2118.7 and no requests for party status were received. The matter was therefore called on the Board's expedited calendar for the date referenced above and the Board voted to grant the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 223. No parties appeared at the public hearing in opposition to this application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.
