Dear Chairperson,

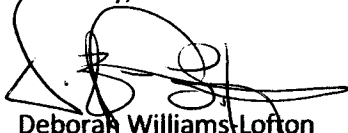

In response to the Boards request at the conclusion of the hearing on Tuesday, January 24, 2012 in reference to Application of Rui E. Lu (Andy's Carryout), for special exception to allow a fast food establishment in the C-2-A District at premises 5001 Georgia Ave NW (Sq 3007, Lot 67), attached please find proposed enclosure for trash dumpsters at said location.

The courts stated not only was it suggested by the DC Office of Planning but also according to code, and therefore would like to see a proposed sketch/some type of action for the trash enclosure on premise (filed by Friday, February 3, 2012) before ruling.

In addition to the sketch, the courts should know that the owner of property, Koo Yuen, has no problem complying with code and takes full responsibility. Mr. Yuen said to have work completed by the end of the month (see attached letter).

Your attention to this matter is greatly appreciated.

Sincerely,

Deborah Williams-Lofton
