<<photo.JPG>> Hello Stephen,

I tried to send this to Mr. Nero also, but it was bounced back. If you could share it with him that would much appreciated.

Many thanks.

Hello Stephen, Hello Robert,

I spoke with and came into your offices to look at plans for 1341 Irving Street NW. I also received in the mail a notice from the 'Zoning office stating the owner was seeking permission to extend and expand the current livable space on this lot - part of this proposal was to demo the existing property profile. I thought this was part of the reason for the zoning board hearing in February.

Demolition took place at the 1341 Irving Street property yesterday, that razed the entire back section of the original construction - please see the enclosed photo. Was this a permitted action or a question for the upcoming zoning proceeding in February concerning this property?????

Many thanks.
