To Whom It May Concern:

This letter is intending to serve as my approval or consent to the building of a deck and shed at the residency of 4029 Gault PI NE. I have been a resident at 4025 Gault PI NE for over 50 years, and it has been a pleasure to have Mr. Escobedo as a neighbor. It really means a lot to have a neighbor that takes so much pride in the outside appearance of his home. When a neighbor makes modifications to their home it often increases the property value and as a home owner I appreciate it when my neighbors make the appearance of their home beneficial to the neighboring home owners. Mr. Escobedo has been my neighbor since 2003 and the building of his backyard deck and shed hasn't been an issue for me.

Sincerely,

Eugene B. Brown, Sr.

To Whom It May Concern:

I am writing this letter on the behalf of my neighbor Mr. Jose' Silva-Escobedo which lives at 4029 Gault Place NE. He has lived in this community since 2003 years, with him and his family. He takes great pride in his house and yard and had explained to me about the upgrade he was trying to do to his home. H is a great family man and does everything he can for his family.

If for any reason he could be given any leniency for his proposed completion it would be greatly appreciated by him and his family, as well as this community.

Sincerely

Bishop Abraham Mitchum, Sr.
