

PURPOSE OF ADDITION
USE OF STRUCTURE

September 26th, 2011

Board of Zoning Adjustment,

Dear Sir/Madam

I hereby would like to express that the purpose of adding the deck to the existing area is to provide the home with family space.

Although this is an open area I provided it with a cover so that the family can enjoy it despite of the weather conditions.

The original house design included a small porch therefore this is in fact an extension of the existing porch.

The shed storage is solely for domestic use. We do not want uncovered items in this area as seen on the pictures of some of the other houses in the neighborhood.

I would like to thank you in advance for your attention to this important matter and hope to hear from you soon.
