

Jeff Goins
■ Partner AIA

PGN Architects, PLLC

Jeff's diverse background includes commercial architectural projects, and numerous competitions from 900 square feet to 3,000,000 square feet. He is an accomplished designer with an understanding of what it takes to create successful projects. Jeff brings a working knowledge of projects like the Southwest DC Waterfront Competition complimented by his work as a designer on the AIA award winning 6th and I Synagogue. He believes in the use of technology as well as traditional media to convey ideas to clients. It is his understanding of graphics and imagery that significantly aids the design phase of a project.

Mr Goins work at PGN includes many significant projects within the Washington DC metro region. The multifamily project sited and adjacent to RFK stadium located on Capitol Hill required community, Office of planning and local ANC's support. the project is a contextual example of the sensitivity to the historical context Jeff used in the design process, all with overwhelming support. His other work includes the modern interpretation of Terrangi Villa in the Parcel 42 competition which PGN was part of the winning team.
