Subject: Burrows Addition to 4601 Western Avenue

I am Katherine White, and I reside at 4964 Brandywine Street, NW, Washington, DC, 20016.

Bob Burrows has provided me a full overview of the scope and scale of the addition project he and his wife have planned. I fully support them and have no problem with their building addition in our neighborhood.

I may be reached by cell phone at the number listed below, should there be any question about my support of the Burrows project.

Regards,

Katie
