Re: ANC 4A Letter of Support for Request for Special Exception Approval  
(BZA Case 18336) Grace Evangelical Lutheran Church ("Applicant")

Dear Mr. Lawson:

Please accept this letter of support for the Applicant's request for special exception approval pertaining to Board of Zoning Adjustment Case 18336 ("Application"). During Advisory Neighborhood Commission 4A's ("ANC 4A") duly conducted, open community meeting held on May 1, 2012 ("Meeting") at Fort Stevens Recreation Center, ANC 4A voted unanimously in support of the Application.

ANC 4A supports the Application as a means of providing needed preschool services to the Advisory Neighborhood Commission single-member district 4A08. At the Meeting, both the Applicant's representative and ANC4A08 Commissioner, Gale Black, appeared and spoke in favor of the Application. Commissioner Black reported to the Commission that the ANC4A08 community has voiced no objections to the Application. Finally, ANC 4A determined that supporting the Application would be in the best interests of residents of ANC 4A08, as well as, other District residents.

Please direct any questions regarding this letter to me either by email at [dwayne.toliver@dc.gov](mailto:dwayne.toliver@dc.gov), or telephone, at 202.527.0545.

Respectfully,

Dwayne M. Toliver
