RE: Amazing Life Games Preschool; Case Number 18336

Dear Members of the Zoning Board:

I live at 1611 Varnum Street, NW in Washington, DC. My son attends the Amazing Life Games Preschool located in the basement of the Grace Evangelical Church at the corner of 16th and Varnum Streets NW.

I am in full support of the school continuing its operation at its current location. As a homeowner committed to this neighborhood, the presence of a high quality pre-school is a huge plus for me and an important reason why I chose to live here. A high quality pre-school like Amazing Life Games is a critical amenity for me and the growing number of families with young children who are living in the Crestwood and 16th Street Heights neighborhood.

Furthermore, the fact that the school is a parent cooperative allows us, not only as parents, but as neighbors to have a transparent look into the day to day operations of the school. We love this school and would love for it to continue operating out of its current location at 4300 16th Street, NW.

Thank you for considering this letter of support as part of your zoning review.

Sincerely,

Mark Isakson
