Dear Mr. Martin:

The Office of Zoning received the above-cited self-certified application on January 24, 2012. Please supplement your application by submitting the following as soon as possible:

1. The "Pursuant to Subsection" box on the first page of the BZA 135 Zoning Self-Certification Form needs to be filled in, presumably with 223. Likewise, resubmit BZA Application Form 120 citing the special exception relief section.
2. A detailed statement explaining how your application meets the specific special exception criteria listed under **11 DCMR Section 223 – ZONING RELIEF FOR ADDITIONS TO ONE-FAMILY DWELLINGS AND FLATS**.

Please call me on (202) 727-2806, if you have any questions about the foregoing.

SINCERELY,

RICHARD S. NERO, JR.
Deputy Director of Operations
