Dear Mr. Jordan,

I am writing in support of Jubilee Jumpstart's request for a zoning exception. The daycare center is located directly behind the apartment building where I live @ 2518 17th Street, NW. The Jubilee Jumpstart playground is located next to my apartment building.

Jubilee Jumpstart is a wonderful asset to the community. The center is a nurturing and safe environment for the children who attend. You can often see the children playing on the playground. They are not outdoors for long periods of time nor are there many of them outside at once. The children are well-mannered, and play amongst one another as toddlers often do. Their outdoor play is in no way disruptive to the community or myself as their neighbor.

I fully support Jubilee Jumpstart and the great family environment that is provided for the children. I often see the children and staff on daily walks. The children always look

happy. The closing of this center would be a tremendous loss to this community. It is a joy to see and have young children at play. Please know that the sound and noise that are disruptive to my peace are from the adults who reside in the building next to Jubilee Pumpstation. The residents after hold gatherings and events in the back of my building that last into the wee hours of the morning. They do not show any consideration for their neighboring residents especially the children who live near their building.

Although, I do not have daycare aged children I fully support having Jubilee Pumpstation in their current location. It is a familiar environment for children, and a long way away from home.

Sincerely,
DeJanya Jamar

Dear Mr. Jordan,

I am writing in support of Jubilee Impstert's
request for zoning exception.

Jubilee Impstert's daycare that is located at 2525 Ontario St NW.
Jubilee Impstert's Playgroup is directly behind my
apartment building where I live at 2518 17th St NW.

When the children are outside, they are not outside very long
and noise from the children playing outside is not disruptive
having the daycare in our neighborhood is very helpful

to the Community, and I myself enjoy hearing the joy's and
laughter of the children at the daycare and we as grownups (Adults)

would stop and listen to the joy's of the children playing.
we all might learn something from them, what I am saying is
stop complaining about the children playing in a playgroup and
we all might have a stress free life or life.

grownups (Adults) if we would start enjoying life like
children in a playgroup what a community we will have

Sincerely,

Jatirion Thomas

To whom it may concern

I make to understand that sources the neighbors are having problem with the kids playing outside. I don't have any problems with them coming outside to play in fact the window is right by the playground I enjoyed them coming out and play when I am home. I open my window and watch.

My Address is

2514 17th St NW #3 (202)550-9457

Washington DC 20009
