BZA Case No. 18352

As a long-time customer of Fragers (26 years!), I hope you will consider the great benefits that Fragers has always provided to the residents of Capitol Hill, and take into account what a good neighbor this business has been to its neighbors and the community for nearly 80 years.

I am solidly behind Fragers' right to continue using its property to conduct its business, particularly the garden center, which is an attraction not only to gardeners, but to anyone looking for a pleasant respite from busy Pennsylvania Avenue.

Sincerely,

Robin Bell
