Dear Ms. Moldenhauer,

Since moving to Capitol Hill after college in 1966, I have been a faithful customer of Frager's Hardware. It has been a tremendous convenience to have Frager's on The Hill to supply plants in the spring, bulbs in the fall, mulch for the garden, Christmas decorations, extra keys, paint, nails, tools, and all our other required hardware needs. No need to get in traffic jams every time we are in search of such merchandise.

Furthermore, Frager's has been a very good neighbor to the Capitol Hill community - supporting civic organizations, schools, and other charitable efforts. The store is central to life on The Hill.

For these reasons, I wanted to voice my support that Frager's be allowed to continue to operate as it has for the past many years. I hope they will be permitted the continued use of their space, both front and back, as they always have. Frager's is such a vital part of our neighborhood and our city.

Thank you for your consideration.

Sincerely,

Dawne Winter
