Re: Letter of Support for B.Z.A. Application No. 18352
Frager's Hardware Store, 1123 Pennsylvania Ave., SE
Lots 44 and 838, Square 994

Dear Chairperson Jordan:

As a fellow business owner and customer of Frager's Hardware Store, I am asking for your consideration for their continued use of the back portion of Frager's lot for outdoor storage and seasonal displays. They are the only hardware store in our neighborhood and they want to meet the needs of all their customers. The store is packed from ceiling to floor and the isles are narrow but no matter what you are looking for they usually have it. Frager's has been in business for about 80 years and they are valued by all their customers. It would be worth a trip to the store to see for yourself how they utilize all their space and understand why they would like to continue using the space in the rear of their building. So I am asking the Board of Zoning Adjustment to approve Application No. 18352.

Sincerely,

John Distad
Owner
