To whom it may concern,

I, Dan Wang, have reviewed the drawings that Andrew Serfass provided for the proposed roof deck as well as the spiral staircase access in the space between 641 and 643 Orleans Pl NE. I have no issues with the roof deck or spiral staircase as designed.

To whom it may concern,

I have reviewed the drawings that Andrew Serfass provided for the proposed roof deck as well as the spiral staircase access in the space between our houses. I support Mr. Serfass's request for a zoning exception for the spiral staircase access and roof deck as designed.
