RE Proposed work at 1116 I Street, SE
Karine Megerdooian
1116 I St SE
Washington, DC 20003

To Whom It May Concern

We are the owners of 1114 I St SE We met with Karine and have reviewed the architectural plans for the proposed project at 1116 I St SE. We understand that she will be adding a new 2 story addition to the rear portion of her house as well as making other necessary repairs. We also understand that since the existing house is non-conforming under current zoning laws, Karine will need to apply for special exception relief from zoning in order to increase the building's lot coverage from 42% to 48% as well as for relief to a non-conforming open court.

We support the general design of the proposed project and the special exception being sought.

Sincerely,
