To whom it may concern.

I am writing to express my full support for BZA Case #18370, as the owner of 1535 5th St. NW. My property adjoins 1537 5th St on the south and I hope to see this project approved by BZA. Mr. Omar Haque, the owner of 1537 5th St, has shared his plans with me and I am in full support of the project and the application for zoning relief.

Sincerely,

Scott Simpson
