To whom it may concern.

I am writing to express my full support for BZA Case #18370, as the owner of 1539 5th St. NW. My property sits directly to the north of 1537 5th St. and I hope that this project is approved by the BZA. Mr. Omar Haque, the owner of 1537 5th St, has shared his architect's plans with me and I am in full support of the project and the application for zoning relief.

Sincerely,

Donna Bruce
