**Nicole A White, P E , PTOE
PRINCIPAL**

Ms White leads the organization's strategic direction with over 15 years of experience in transportation planning and traffic engineering projects She brings extensive management skills and expertise ranging from intersection safety and operational studies to parking studies and Transportation Management Plans Ms White specializes in multi-modal transportation planning in urban environments Her project experience includes mixed-used developments, corridor studies, master planning for Federal Campuses and Universities, and revitalization and redevelopment studies Ms White has significant experience coordinating with project stakeholders and local officials She is a certified Charrette Planner through the National Charrette Institute Ms White has previously been accepted as an expert witness by the Circuit Court of Prince George's County, District of Columbia Zoning Commission, District of Columbia Board of Zoning Adjustment and Montgomery County Hearing Examiner

PROFESSIONAL REGISTRATIONS

Maryland – Professional Engineer

Institute of Transportation Engineers – Professional Traffic Operations Engineer

EDUCATION

Master of Engineering,
Civil Engineering - Transportation
University of Maryland, 2002

Bachelor of Science,
Civil Engineering
University of Maryland, 1996

PROFESSIONAL AFFILIATIONS

Institute of Transportation Engineers
Urban Land Institute
American Planning Association

RELEVANT EXPERIENCE

Mixed-Use and Residential Developments

Ms White has prepared Traffic Impact Studies, Transportation Management Plans, and parking studies mixed-use and various residential developments Project experience includes examining loading and delivery requirements as well as interface between residential and commercial components of mixed-use developments Project experience includes

- 1412 Chapin Street, NW, Washington, DC

1250 Eye Street, NW
Suite 700
Washington, DC 20005

- Matthews Memorial Terrace, Washington, DC
- 4100 Georgia Avenue, Washington, DC
- Heights on Georgia Avenue, Washington, DC
- Villas at Laurel, Laurel, MD
- Villages at Peppermill, Capitol Heights, MD
- Bethesda View, Bethesda, MD

Redevelopment & Revitalization Studies

Ms White has directed a number of redevelopment and revitalization studies where she has gained significant experience developing transportation concepts by working with consultant planning teams, local agencies, and community groups. Her experience includes balancing the competing needs of various modes of transportation, including transit and pedestrian facilities. Project experience includes

- Mount Vernon Square District Transit Study, Washington, DC
- Rhode Island Avenue Great Streets Initiative, Washington, DC
- H Street, N.E. Redevelopment Project, Washington, DC
- Georgia Avenue Revitalization, Washington, DC

Universities and Institutions

Ms White has prepared traffic impact studies for schools and other learning institutions. Project experience includes examining pick-up and drop-off activity as well as queuing analyses. Ms White has helped to develop transportation management and shared parking opportunities for various institutions. Project experience includes

- University of Mary Washington Campus Plan, Fredericksburg, VA
- Coppin State University Science and Technology Center, Baltimore, MD
- George Washington University (GWU) Hospital, Washington, DC
- GWU Lerner Health & Wellness Center, Washington, DC
- GWU Pelham Hall Replacement, Washington, DC
- GWU Food Service Facility, Washington, DC
- GWU Campus Plan 2000, Washington, DC
- American University Campus Plan 2000, Washington, DC
- Georgetown University Campus Plan 2000, Washington, DC

Master Plans & Transportation Management

Ms White has managed the transportation component of Master Plan and Environmental Impact Statement studies for a number of Universities and Federal Campuses. Her work on these studies includes projecting and analyzing future transportation and parking conditions based on population and development growth, and recommending necessary improvements to transportation and parking systems. Ms White is experienced in developing Transportation Management Plans with travel demand objectives, goals, strategies, and measures of effectiveness. Ms White also has significant experience presenting to community groups, planning agencies, and zoning boards as part of the Master Planning and EIS processes. Project experience includes

- Park Morton Master Plan, Washington, DC
