Reconsideration of BZA Application # 18376

March 22, 2013

Title 11, Sections 3029 & 3126

To whom it may concern,

I am writing to indicate that Mr. Jorge Granados of 3455 Holmead Place N.W. has agreed to retract his letter (previously exhibit 22) and testimony in opposition of the upper addition or the "4th story;" he is now in support. Mr. Smith will furnish documentation of this agreement in the near future.

Respectfully,
