Mr Jordan

I am writing this letter in support of Otis and Angela Ray's request for a variance from the lot occupancy requirement for 2100 1st Street NW (Square 3119, Lot 24), case #18385. As someone who lives on that block, it is my opinion that the addition of the pergola has added to the beauty and overall appeal of our block and the neighborhood. It's a blessing to have neighbors/owners who take pride in their property and add value to the neighborhood. Their request for variance should be granted.

Sincerely,

Brucetta Williams
