Re BZA Application No. 18398, 2130 Bancroft Place, NW
Request by the Sheridan-Kalorama Historic Association (SKHA)
for postponement of September 18, 2012 public hearing

Dear Chairman Jordan and Secretary Moy,

The SKHA is writing this letter to ask for a postponement of the scheduled BZA public hearing of this variance application now scheduled for September 18.

The applicant is proposing to next present at the ANC September 10 meeting. The SKHA would not have time to review the presentation in a timely manner given just 8 days before the BZA hearing on September 18th.

Should you have any further questions, please feel free to contact me.

Thank you for your consideration.

Sincerely,

Kindy French
