Re BZA Case No 18398

Dear Mr Jordan

The Sheridan-Kalorama Historical Association ("SKHA"), having applied to intervene in this case, wishes to advise the Board that Hitchcock Law Firm PLLC, through Cornish F Hitchcock, is authorized to be its legal representative with full legal authority in this case

SKHA wishes also to clarify the statement attached to its Form 140 application to intervene in the case SKHA said that it would not be more significantly affected than others in the public, which is accurate insofar as SKHA is not a property owner However, SKHA is uniquely affected as the only historic preservation group that focuses on the Sheridan-Kalorama neighborhood, and SKHA and its members are uniquely affected by the application, which would significantly alter the characteristics of this property and thus the Sheridan-Kalorama neighborhood as a whole

Thank you for the opportunity to submit this clarification

Very truly yours,

Kindy French, President
