Re: Case Nos. 18399 and 8400: Clarification

Dear Chairperson Jordan:

On October 31, the Applicant in the above-referenced cases filed two separate documents: (1) a request for an extension and (2) a post-hearing submission. Each document referenced the accurate property and served each relevant party, but the case numbers were inadvertently interchanged. For clarification purposes, the Applicant seeks the following:

- Case No. 18400 (6045 16th Street, NW): a 45-day extension in the filing of its post-hearing submission for its Main Campus. It will file its post-hearing submission on December 14, 2012.
- Case No. 18399 (4715 16th Street, NW): the Applicant does not seek an extension of this application and it filed the requisite post-hearing information on October 31, 2012. It requests the Board to take action on the matter on November 27, 2012.

Again, the correct parties were served with the correct pleading and the correct address was referred to on each pleading, thus no prejudice was incurred. The Applicant asks that the Board move forward with taking action on Case No. 18399 at its November 27 public meeting and deferring action on Case No. 18400 until such time as a schedule has been set by the Board.

Sincerely,

Christine Roddy
