Deputy of Operations
Office of Zoning

Re Application Number 18403 Special Exemptions for 4428 Ord Street, N E , Washington, D C 20019

Mr Nero

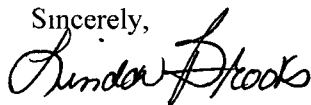

My name is Linda Brooks and I am a longtime resident of Eastland Gardens Community Two months ago I was face with the need of immediate child care So I got in my car and rode around my neighborhood hoping and praying for a daycare that I could enroll my granddaughter in that would be in my neighborhood I can honestly say that there were a couple of signs in the yards with the grass so high that it was covering the signs Later to find out that there had not been a daycare there for a number of years So I than went home and got on my computer to Google daycare centers in the N E area I wanted a Daycare the was close to my home, that offered classes that would help develop to the next level of learning but fun to learn that would be convenient for me to drop off and pick up That's when I came across **Lia's Daycare Center at 4428 Ord Street, N E., Washington, D.C. 20019** I called and spoke with Mrs Roslyn Taylor, the owner and she immediately gave me an appointment to come pass and visit the center And one week after meeting Ms Taylor my granddaughter goes there five days a week I have to beg my granddaughter to live because she is happy and have so much fun begin there

Mrs Taylor's daycare is an excellent facility It's exciting to see how much work she puts into her daycare Her love for her occupation shows throughout her interactions with the parents and the kids The daycare is providing my granddaughter with skills that will help her later on in life The daycare is a positive foundation for the neighborhood

Mrs Taylor was extremely professional she explained to me that her center would be open 23 hours a day and that is so needed in this area for the parents of children who work in the evenings and overnight Mrs Taylor really came though for me in my time of need

I highly recommend that Mrs Roslyn Taylor and her business be granted the Exemption She is a valuable asset to Eastland Garden Community

Sincerely,

Linda Brooks
