MEMORANDUM

TO: District of Columbia Board of Zoning Adjustment

FROM: Samuel Zimbabwe *[Signature]*
District Department of Transportation (DDOT)

DATE: September 7, 2012

SUBJECT: BZA Case 18404, 3 D.C. Village Lane, S.W. (Square 6264, part of Lot 801)

APPLICATION

Pursuant to 11 DCMR § 3104.1, for a special exception to allow the construction of a concrete manufacturing facility under section 802.17, in the C-M-1 District at premises 3 D.C. Village Lane, S.W. (Square 6264, part of Lot 801).

RECOMENDATION

DDOT has reviewed the Applicant's request and determined that, based on the information provided, this proposed project will have no adverse impacts on the travel conditions of the District's transportation network. While an approved project may lead to more vehicular, transit, pedestrian, and bicycle trips, DDOT does not foresee additional impact to the network. Thus, DDOT has no objection to approval of the requested special exception.

This review pertains only to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to the zoning special exception should not be viewed as approval of public space elements. If any portion of the project has elements in the public space, the Applicant may be required to pursue a public space permit through DDOT's permitting process. Guidance on the treatment of public space can be found in DDOT's Public Realm Manual.
