To whom it may concern:

The Intown Play group is a valued part of Georgetown and should be permitted to continue. When my son was 2 he went there and loved it (34 years ago). There are now even more children in Georgetown than back then, and more coming, so the need is great. Please allow it to continue. If there are safety problems I'm sure they can be addressed. Noise problems too.

Sincerely
Diana K. Munson
