

Playground during school hours: 9am-12pm

Between the hours of 9am-12pm, Intown's playground is set-up for use. The children however use the playground for a total of one hour a day, between the hours of 11am and 12pm.

Playground during all other times

When school is not in session, the playground and all toys are packed away, the sandbox covered, paths swept and all gates closed and locked.
