

To whom it may concern,

I Yvonne Kenney am grateful to have a Childcare Center in the community, I couldn't have asked for someone more kind and gentle to take care of the children than Ms. Manley.

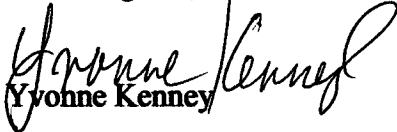

Here are some of the things I absolutely loved about her childcare center:

- o She was always calm and loving with the children
- o Immaculately clean center and children's play area
- o She had many activities for them to do every day
- o She included many educational books and games for a great learning environment
- o Great food, healthy and nutritious
- o Lots of outdoor playtime with great outdoor play equipment available
- o Always communicated if there was a problem or anything out of the ordinary
- o Always asked parents opinions if she wanted to change or do anything differently
- o Very calm in her disciplinary approach. Asks children nicely to behave without raising her voice. She received a lot of respect from the children she cares for because of the respect and caring she shows to them.
- o Most importantly, she LOVES all of the children she cares for and will take care of them as if they were her own.

Ms Manley is one of the most caring and thoughtful person I have ever had the pleasure of knowing. I know some of the parents felt so lucky to have found her childcare center.

Ms. Manley's childcare center is in the community where I live, and I have no problem with the childcare center being in the community

Kind Regards,

Yvonne Kenney
