Re: Postponement Request for 18432

LETTER OF REQUEST

Land Use by Design® is writing on behalf of, John Hines of 1618 5th Street, N.W. (Square 477, Lot 845), to request a hearing postponement. Land Use by Design® was advised by Office of Zoning staff to provide this letter one week prior to the original hearing; in addition, it was suggested that I come in-person to request a postponement during the preliminary matters portion of the October 23rd original hearing. I plan to follow those directions.

This request is based on the client's untimely receipt of an ANC decision. More specifically, in efforts to satisfy concerns of the Office of Planning we request a hearing postponement of preferably two weeks or 10 business days; we would prefer to have a new hearing date scheduled sooner rather than later, however we do recognize and respect your busy schedule.

If you should have any further questions please contact me. Thank you.
