Re: Letter in Support of Application No. 18443 – 3616 14th Street, NW

Dear Members of the Board:

I attended the August 7, 2012 community meeting to hear about the project at 3616 14th Street, NW Washington DC, 20010. I am writing to express my support for 3616 14th Street LLC's application for zoning relief to convert a two-story retail/office building to a three-story structure with retail on the first story and multi-unit apartments on the second and third story (Application No. 18443). I urge the board to approve the application as proposed.

The plans for their proposed project have been explained to me. The proposed project will not have a substantially adverse effect on the use or enjoyment of our nearby home. Nor will it affect our light, air, or privacy. The project is comparable to other projects in our immediate vicinity, and will not visually intrude upon the character, scale, or pattern of the houses in our neighborhood.

Thank you for the opportunity to provide feedback.

Sincerely,
