Re: Letter in Support of Application No. 18448 – 1221 Otis Place, NW

Dear Members of the Board:

I am writing to express my support for 3579 Warder Street, LLC's application for zoning relief at 1221 Otis Place, NW to convert a two-story, 11 bedroom rooming house to a three-story, four-unit apartment building. I urge the Board to approve the application as proposed.

The plans for the applicant's proposed project have been explained to me. The proposed project will not have a substantially adverse effect on the use or enjoyment of our nearby home. Nor will it affect our light, air, or privacy. The project is comparable to other projects in our immediate vicinity, and will not visually intrude upon the character, scale, or pattern of the houses in our neighborhood.

Thank you for the opportunity to provide feedback.

Sincerely,
