

**BEFORE THE BOARD OF ZONING ADJUSTMENT  
OF THE DISTRICT OF COLUMBIA**

**FORM 145 – AFFIDAVIT OF POSTING**

Before completing this form, please review the instructions on the reverse side.

Print or type all information unless otherwise indicated.

**Holland and Knight LLP Freda Hobar**, being first duly sworn, do hereby depose and say that:

On **11-13-12** (date) at **10:45** (time) I caused **2** (number of notices)

Zoning Sign(s) furnished by the Office of Zoning to be posted on private property known as:

**1728 14th Street NW**

(address of premises)

In plain view of the public on the following street frontages:

I caused to be taken, **2** (no. of photos) photograph(s), attached hereto, of the Zoning Sign(s) in place which fairly depict each

Zoning Sign as seen by the public. The photographs are numbered and correspond to the following street frontages:

| Photograph No.   | Street Frontage                                                                                      |
|------------------|------------------------------------------------------------------------------------------------------|
| <b>1 &amp; 2</b> | <b>1728 14th Street NW (Front + Rear Alley of Bldg.)</b>                                             |
|                  |                                                                                                      |
|                  |                                                                                                      |
|                  |                                                                                                      |
|                  |                                                                                                      |
|                  | BOARD OF ZONING ADJUSTMENT<br>District of Columbia<br>CASE NO. <b>18453</b><br>EXHIBIT NO. <b>23</b> |
|                  |                                                                                                      |
|                  |                                                                                                      |
|                  |                                                                                                      |
