RE: APPLICATION NUMBER 18454

Dear Mr. Nero:

We write in wholehearted support of the application of Ms. Hilary Sills, living at 3812 Woodley Road, N.W. (Square 1816, Lot 35), for a permit to allow a one-story addition, deck and second story sleeping porch to the rear of her one-family dwelling.

We have lived directly across the street from Ms. Sills for more than twenty years. She is an excellent neighbor of sound judgment and good taste who is always respectful of neighbors' concerns.

We recently attended an ANC meeting where the plans for her addition were discussed. After a presentation by her architect, we were fully persuaded that hers will be a well-done addition that will not only benefit Ms. Sills but also her neighbors. The ANC members seemed equally convinced, as they voted in favor of her application. We believe the additions to her home will improve her living arrangements while adding to the value of her home and the beauty of the neighborhood.

Thank you for reading and considering our views on this important matter.

Sincerely yours,

Priscilla B. Rope
