Denying Karen Sayre's request to be exempted from public hearing
Denying Karen Sayre's request to add a 3rd story to her home

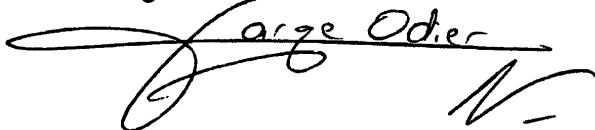

As a neighbor of #13 15th Street SE, we are surprised to understand that Karen Sayre's request to add a 3rd story to her home is being exempted from public hearing.

We are against such an addition to the building as all the houses on our block on 15th Street SE have 2 stories and there is a nice alignment. The street view would be considerably modified in an awful way. We are very preoccupied. We'd like not only this request to be denied but the one to add a 3rd story too.

Thank you for taking our voice into account. We would appreciate if you could let us know what we need to do in order to stop this to happen.

Best regards,

Nathalie Large-Odier
