Mr. Lloyd Jordan
Chairman, Board of Zoning Adjustment
441 Fourth Street, NW
Suite 200/210-S
Washington, DC 20001

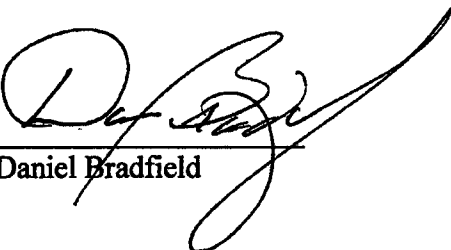

Dear Chairman Jordan and Members of the Board:

We write today regarding Application Number 18467 submitted by our neighbors, Elizabeth ("Liz") Hilder and William R. ("Randy") Smith, who reside at 3843 Livingston Street, NW. Liz and Randy have filed an application for permission to build an addition to their house five feet from the alley that runs between Livingston and Morrison Streets, NW (parallel to 39th Street NW) instead of the eight-foot setback zoning requirement. We support this application and urge the Board to approve the same.

We live at 5509 39th Street, NW, which borders the Hilder/Smith property immediately to the north. The rear of our property also abuts the alley running between Livingston and Morrison Streets. Liz and Randy have shown us the plans for the addition and they have discussed with us their application for permission to build 5 feet from the alley instead of adhering to the 8 foot side yard requirement.

We do not believe that the addition to their house will have an adverse effect upon us nor diminish in anyway the use or enjoyment of our property. Consequently, we support Application 18567 and urge the Board's approval.

Sincerely,

Daniel Bradfield
