Request to Defer Hearing and Amend Application

Dear Board Members:

In response to the party in opposition's correspondence dated December 13, 2012, Wagtime LLC does not object to a deferral of the application to the next available public hearing date. It is our understanding that the Board's agenda is full until March. However, the Applicant is agreeable to an earlier public hearing date, if available, provided there is sufficient time to advertise/provide notice of the proposed variances, present the variance requests to the ANC and submit a supplemental prehearing statement as required under the Zoning Regulations.

Thank you for your considerate attention to this matter.

Very truly yours,

HOLLAND & KNIGHT LLP
