BOARD OF ZONING ADJUSTMENT  
District of Columbia  
CASE NO. 18486  
EXHIBIT NO. 41

**SUMMARY ORDER**

**SELF CERTIFIED**

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibit 4.)

The Board of Zoning Adjustment (“Board” or “BZA”) provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission (“ANC”) 2E and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 2E, which is automatically a party to this application. ANC 2E filed a timely letter report, dated January 4, 2013, which indicated that at a properly noticed, duly scheduled public meeting held on January 2, 2013, with a quorum present, the ANC voted unanimously to oppose the application, unless an agreement was reached between the Applicant and the Board of Directors of the Georgetown Park condominium association. (Exhibit 31.) At the hearing in light of the executed agreement between the Applicant and the condominium association that was reached and submitted for the record, ANC 2E, which was present, changed its position to one of support for the application.

The Office of Planning (“OP”) submitted a timely report recommending approval of the application, subject to all of the consultant’s recommendations as outlined in their December 12, 2012 report being implemented. (Exhibit 34.) The District Department of Transportation (“DDOT”) submitted a letter of no objection dated January 4, 2013. (Exhibit 33.)

The Georgetown Park Unit Owners’ Association (“Association”) requested party status in opposition to the application. (Exhibit 35.) The Board granted the requested party status. The

Applicant and party in opposition entered into an agreement which contained conditions to be placed on the application. In light of the executed agreement with the Association, the Association withdrew its request for party status. The Board accepted the executed agreement into the record (Exhibit 37) and the request for withdrawal of the Association's party status. Fourteen letters of opposition for the application from the Flour Mill of Georgetown Residential Condominium Association (Exhibit 30) and individual owners of residential units in the Georgetown Park condominium had been submitted for the record. (Exhibits 18, 19, 24, 25, 27, and 32.)

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for a special exception under § 908.1. No parties appeared at the public hearing in opposition to this application.<sup>1</sup> Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and OP reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 908.1 that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that this application be **GRANTED, SUBJECT TO THE APPROVED PLANS AT EXHIBIT 7 AND THE FOLLOWING CONDITIONS:**

1. No smoking shall be permitted in any portion of the restaurant, including any outdoor patio space.
2. The bowling lanes and other fixtures within the restaurant shall be located substantially as represented in the floor plans submitted to the BZA, although table and seating layout is provided for illustrative purposes only.

The restaurant shall give due consideration to the comments provided by the Association.
