**Re: 3014 P Street, NW, BZA Application No. 18512**

Dear Chairperson Jordan and members of the Board:

Advisory Neighborhood Commission 2E, at a public meeting held on February 4, 2013, duly noticed, and at which six of seven commissioners were present constituting a quorum, unanimously adopted the following resolution:

ANC 2E has no objection to the request for a special exception on the plans proposed for a porch at the rear of the house at 3014 P Street, NW, in that it presents a minimal impact and creates no adverse conditions on adjacent properties. We note also that we do not know of any objections from neighbors to the request for a special exception in this matter.

ANC 2E Commissioners Solomon, Lewis, Jones, Cassey, Starrels, Birch, or Prindiville, or any one or more of them, are authorized to act for ANC 2E in this matter and any matters which may come before the Board relating thereto.

We appreciate the opportunity to bring this resolution to the attention of BZA and we trust that it will be given the "great weight" to which it is entitled under District of Columbia law.

Sincerely,

*Ron Lewis*
