Re: Application Number 18519 – Gregory Igbozuruike

Dear Mr. Nero:

In response to your notice, I am writing to inform you that I'm totally opposed to the re-zoning to allow the construction of a three-flat dwelling. Such a structure would completely change the character of the block. This trend of erecting these unseemly buildings is severely damaging the charm of this once primarily single-family neighborhood. Several of my neighbors are abhorred by the prospect of the proposed construction, and I hope they will voice their objection.

I appreciate the opportunity to raise my objection.

Sincerely,

Eric E. Clarke

Neighborhood Property Owner and Resident
