Re: BZA Case No. 18524 – Applicant's Request for Postponement

Dear Members of the Board:

We hereby request a postponement of the public hearing, scheduled for April 2, 2013, for the above-referenced case. Upon further consideration, we believe that the proposed use is not a CBRF and does not require special exception approval. We recently met with the Zoning Administrator about this, but we are still awaiting a written confirmation from him. Because of this, we are not prepared to go forward with the hearing on its scheduled date. While we believe that we will receive a confirmation from the Zoning Administrator and a hearing will be unnecessary, we request that the hearing be postponed so that we can obtain the special exception in the unlikely event that the Zoning Administrator deems it necessary.

Thank you for your consideration of this matter.

Sincerely,

Tracy Cecil
Director of Operations
