RE: Letter in Support of BZA Application No. 18529

Dear Sir or Madam,

My name is:

I am writing this letter in support of my neighbor, Ms. Maria B. Medrano, regarding her special exception request to operate a child development center at her residence located at 4910 Kansas Avenue, NW, Washington, D.C. I am Ms. Medrano's neighbor, residing at:

4842 Kansas Ave NW
Washington DC 20015

I believe the proposed increase in the number of children and staff associated with the special exception will not adversely affect the neighborhood (i.e. I believe it will not create objectionable traffic or unsafe condition for picking up and dropping off children or objectionable impacts on adjacent or nearby properties due to noise, activity, visual, or other conditions) while meeting all applicable codes and licensing requirements.

I support the proposed special exception and believe it will advance the small business operated by Ms. Medrano as well as support our community at large by providing necessary child care to assist working parents and guardians.

Sincerely,

APR 9
